## D.I.S.C. Profile

---

HP

Have you wondered why you are the way you are? Why certain things bug you? Why you have conflict with certain people? Some people say you're a dictator. Some people say you take too long to make a decision. The D.I.S.C. may tell you a lot about yourself and how you lead and appear to people.

Join us at the NEFBA Office on January 20, 2022 from 9:00 am-Noon as Dr. Bob Bumgarner takes us through the D.I.S.C. profile and we learn why we all do things differently and what people we work best along side of. This is recommended for all pastors & staff.
